Boxed lanes are numbered and labeled as they appear in Fig. 2B of 3rd revision of the manuscript.

The experiments on GST-Cdc73 on Images 59-60 are replicate trials and the Image 59 results were chosen for presentation because the exposure more closely matches Fig. 2B in the original manuscript.
Boxed lanes are numbered and labeled as they appear in Fig. 3B of 3rd revised manuscript.
Boxed lanes in Images 36-37 are numbered and labeled as they appear in Fig. 7B of 3rd revised manuscript.

Image 37 is lower exposure of Image 36.

Boxed lanes in Images 38 appeared in Fig. 7B of 2nd revised manuscript and are replaced with the boxed lanes in Image 39.

Duplicate cultures
Boxed lanes in Images 39 are numbered and labeled as they appear in Fig. 7B of 3rd revised manuscript.
